

Name : Ayush Rawat

Course : ~~Computer Network~~ MCA

Section : A

Roll no: 2001044

Subject: Computer network

Code: PMC 203 | TME 203

Problem: Design a network for HR department.

and size of department is 10 users.

Show communication b/w user no. 1

and no. 5.

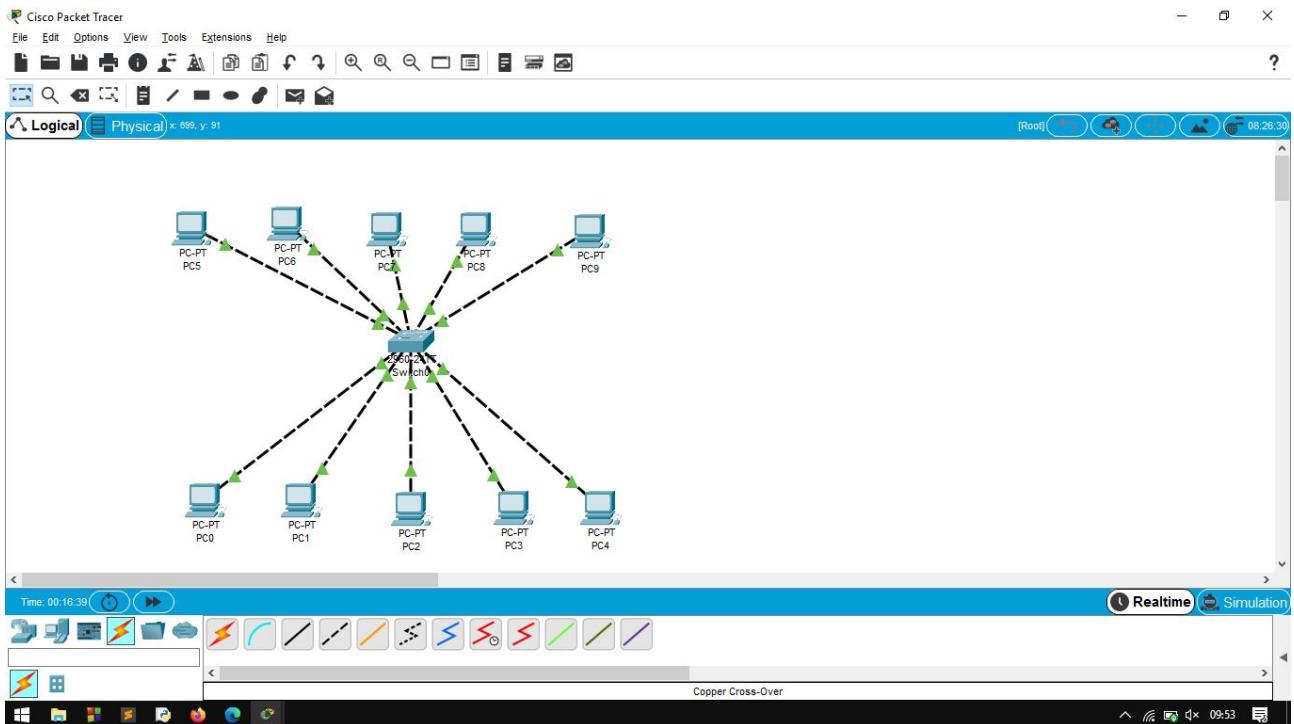

Objective: Connect multiple computer  
to each other using switch.

Description: We use 10 PC for one  
department and connect them to  
each other using switch.

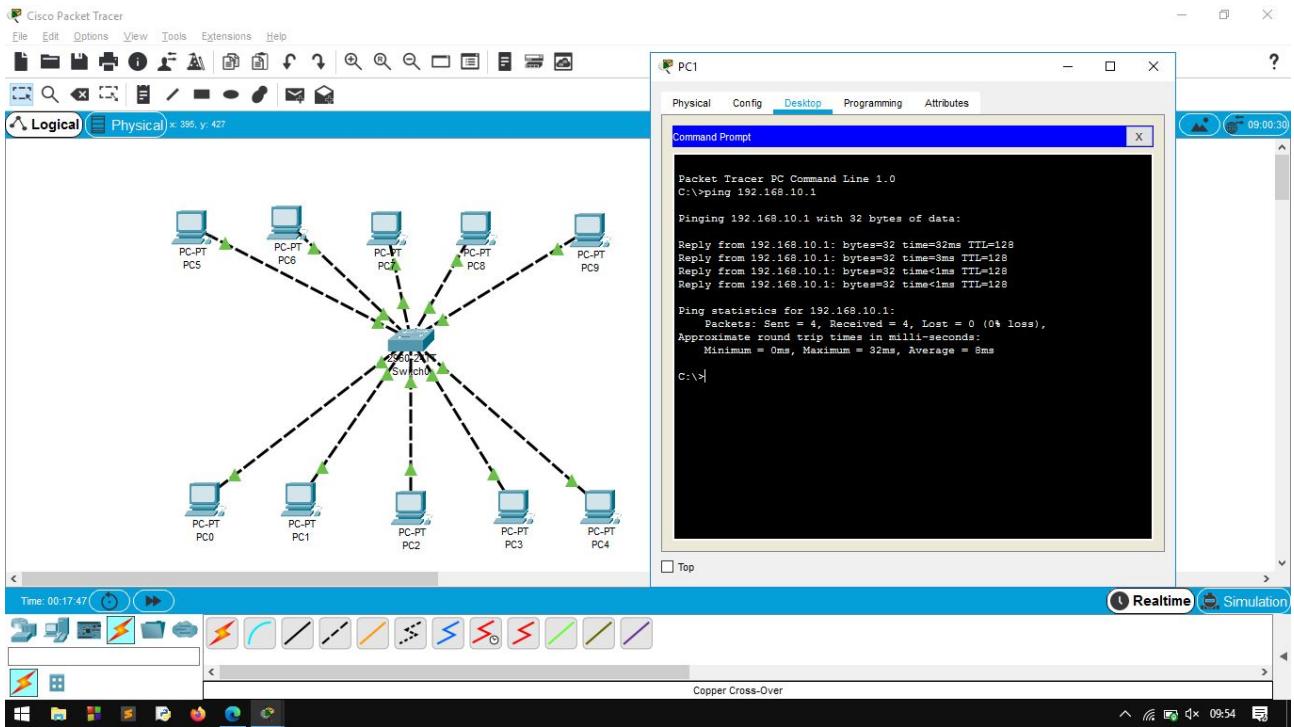

Steps:

- 1) Take 10 PC in packet tracer.
- 2) Take 1 switch
- 3) Use copper crossover to connect  
to 10 PC to switch.
- 4) Open every PC and config the IP  
address.

5) Run the ping command from PC1 to  
PC2.
